NOVEMBER

The 'Season of mists and mellow fruitfulness' is with us now. It is also the month we celebrate that parliament was not blown up (no further comment!) in 1605. And when we remember, on the 11th hour of the 11th day of the 11th month, all those who have died in wars. An Act of Remembrance will be held at the War Memorial on the 10th.

On p.3, Maureen Withey has provided some local newspaper reports of crimes committed in the nineteenth century in Wetheringsett! Very interesting, and more to come in the following months. Enjoy your November,

Cally (Editor)

"They moved a town"!

One of the great things about Rotary is that you meet all sorts of people with all sorts of interests. Many of our meetings include a guest speaker. Sometimes it's one of our own, as in the case of Harry, who travels a lot in Scandinavia, and recently gave a talk about Kiruna in Sweden - which was moved lock, stock and barrel to avoid subsidence caused by a nearby mine!

Other recent meetings have included talks on "The River Gipping Trust" and "The Battle of Trafalgar".

"What a shame..."

That was the response of one person to the news that we had to **cancel our 5th annual Ceilidh at Debenham Leisure Centre.**

We thought so too. It was not a decision that we took lightly. But with less than 40 tickets sold, we could not take the risk of losing money on a charity event.

Next year? We don't know at the moment. Maybe the idea has run its course. Maybe we need to find something else. If you have any suggestions for a fun fund-raising event, please get in touch. Better still - join us and help "Make It Happen".

SANTA IS ON HIS WAY!

Yes, he's booked his transport with us already! Here are the dates for this year:

- Eye** **Tues 10th Dec**
- Stradbroke** **Wed 11th Dec**
- Debenham(1)** **Mon 16th Dec**
- Debenham(2)** **Tue 17th Dec**

All Santa's tours start at about 6pm and will be finished by 8pm.

Details of the routes will be posted on our website by the end of November.

SANTA NEEDS HELP!

We need more elves to help with the collection. Can you help - please?

Rewards include good exercise, big smiles on faces young and old, and a very Christmassy feeling!

Bats in Churches Partnerships Project Update

What a perfect evening in June it was for bat surveying, still and warm. On cue the bats put in an appearance. Thanks to the number of volunteers from the community and Suffolk Bat Group we were able to get a good picture of the bat residents. Approx-

mately fifty Soprano Pipistrelles were seen emerging from the church and drew lots of excitement from those watching. At least three other species of bats were recorded foraging in the favourable habitat provided in the surroundings.

We are delighted to hear that

All Saints Church has been selected by the Bats in Churches project for further funding and more in depth bat surveys in 2020. This will also include specialist input from an Architect.

In the meantime we have been learning from the experience of St Mary Church in Wetherden. They are a year ahead of us in the project and are due to commence works this winter.

Watch this space for further news and how you can get involved with the project or contact Cathy Smith: 01728 8612324 For more general enquiries about bats contact —

Snippets from the Village History

Parish Council Minutes: 1894 - 1954

Parish Council meetings were mainly held in the School Room in the evening, and on occasions were also held in the Mission Room in Wetherup and in the Rectory.

Here are some further excerpts:

October 1934

... a proposal to make three deep bores for water in Wetheringsett, one at Pitmans Corner, one at White Horse Corner and one near the Mission Room at Wetherup..... After some discussion ... the Parish Council agreed that the three deep bores are necessary, but feel that the bore suggested for near the Mission Room would be better if it was made at Park Green. Mr Page, Scotch Farm, is willing that the bore should be made on his meadow if the Rural District Council agree to it.

March 1936

... the bores for water are proceeding and it is hoped that all three pumps will be ready for use by the time summer is here.

May 1937

A letter received by the Hartismere Rural District Council that a building site will shortly be required of 7/8 of an acre in extent in Wetheringsett, for the erection thereon of 7 houses, in which to re-house families that are at present living in overcrowded conditions, and ask the Wetheringsett Parish Council to select a suitable site for the purpose. After some discussion, the Council chose two sites, no.1 site Allotment field, Pitmans Corner. If the Council do not agree to that then no.2 site, Slough Meadow, near the White Horse Corner.... The Council proposed that 2 double dwellings be built on each site, as they are both near the places where the houses are most needed. The question was raised as to the need of a letter box on Park Green, Near Town Lane Corner, for the convenience of people living on Park Green and Town Lane and Mill Road. The Clerk was instructed to write to the Postmaster at Stowmarket, informing him that the Council request him to erect a box near that place.

Taken from 'A Village History of Wetheringsett cum Brockford' compiled and first published 1981. The above extracts were added (by Maureen Withey), to the edition published in 2002

South Hartismere Benefice: November Newsletter

Remembering

November is a time set aside in the Church's year for remembering.

Remembrance Sunday

On the Sunday nearest to 11th November we join with the nation to remember the sacrifice of the Armed Forces community from Britain and the Commonwealth, we pay tribute to the special contribution of families and of the emergency services, and we acknowledge innocent civilians who have lost their lives in conflict and acts of terrorism

Remembrance honours those who serve to defend our freedoms and way of life. It does not glorify war and its symbol, the red poppy, is a sign of both Remembrance and hope for a peaceful future. Remembrance unites people of all faiths, cultures, and backgrounds but it is also deeply personal. It could mean wearing a poppy in November, before Remembrance Sunday, joining with others in your community to commemorate, or it could mean taking a moment on your own to pause and reflect. Everyone is free to remember in their own way, or to choose not to remember at all.

This year the Royal British Legion is asking communities across Britain to come together, join together and remember together the service and sacrifice, friendship and collaboration of the men and women of Britain, the Commonwealth and Allied nations who fought together 75 years ago. This collaboration continues to shape our society today. Many communities, whose ancestors served side by side, now live side by side in a multicultural Britain.

Details of the Acts of Remembrance to be held in our churches on Remembrance Sunday, 10th November can be found in the November Service Rota.

Memorial Service

Each year we hold a special memorial service to remember our loved ones who have died, to hear their names being read out, and to light a candle for them. This year the service will be at **All Saints Church, Stoke Ash IP23 7ET** on **Sunday 24th November** at **4.00pm**. Please contact me on 01379 678064 if you would like more information.

Blessings,
Julia

**Wetheringsett cum Brockford Parish Council
report on meeting held 7 October 2019**

Village Hedging – a lengthy discussion took place during the public session regarding the recent removal of hedging along the Debenham Road. It was reported parishioners had raised many concerns as there appeared to have been no communication as to why the hedge had been removed – whether it was part of a government aided scheme or some other. To avoid this sort of action in the future it was suggested biodiversity and environmental considerations were included in the proposed Wetheringsett Neighbourhood Plan and possibly a separate group is set up to take these important environmental issues forward. This is a wide subject and the Environment Agency, Forestry Commission, Historic England and Natural England have prepared a joint document specifically for inclusion in Neighbourhood Plans. As a starting point it was suggested a conservation group/information board was set up. Anyone interested in becoming involved is asked to contact the parish council.

VAS and speeding – the VAS equipment has been located at Brockford Street over the last few weeks due to the diversion from the A14 resulting in increased traffic on the A140. This has recorded a high incidence of vehicles travelling in excess of 30mph. If all motorists exceeding the speed limit had received fixed penalty notices, the total fines would be little short of £11m. These results will be forwarded on to the local Constabulary.

Trees – the supply of trees from the Suffolk Warden Tree Scheme will be delivered shortly – if anyone would like a supply please contact Cllr Mrs Elizabeth Aldred.

Hakluyt Cycle Loop – as already reported in the magazine, the grand opening will take place at 11am on Sunday 3 November at the Village Hall. County and District Cllr Andrew Stringer will open the loop. As well as thanks for the three donations to the project, Suffolk CC, MSDC and the Hakluyt Society, thanks were recorded to Sarah Payne for all her hard work on the project – another added attraction for residents and visitors to the parish. We do hope parishioners will be able to support the opening.

**Date of next meeting: Monday 4 November 2019, 7pm at the Village Hall.
Meeting open to the public and parishioners may take part during the public session

The Cedars Pool

We have had a very busy summer at the Cedars Pool, with close to 60 registered users from the parish and many visitors to the Railway Sidings Carriages: up to 12 hours a day.

Our teacher, offering half hour lessons, continues to be busy, now with a little more time to herself as Suffolk ladies cricket captain, the season is over!

We have maintained the temperature at 85°F and hope to continue this as long as the weather allows. In spite of the blanket, cold nights do drag the temperature down.

Nigel has worked hard to keep the pool fit, and although it might be a little cloudy, we have kept it from going green all year.

Please continue to use the facilities through the darker months to keep yourself fit. We do not charge to swim, as we like to see the pool being used to useful effect.

FRIDAY 15 NOVEMBER, 7 for 7.30PM

Yesterday

Academy Award-winning director Danny Boyle joins celebrated screenwriter Richard Curtis for a new comedy starring Lily James, Himesh Patel and Kate McKinnon.

In Lowestoft, Jack Malik is a frustrated musician whose musical career is going nowhere. However, on the night Jack decides to give up, the world is hit with a massive blackout during which Jack is hit by a bus. Upon regaining consciousness, Jack learns to his astonishment that he is apparently now the only one who knows the music of the Beatles. Whilst trying to wrap his head around what is happening, Jack finds himself on a journey to figure out what happened on that one night, and to bring back joy and the memory of the one band from yesterday.

Also featuring Ed Sheeran in a cameo role. Filmed in Ramsholt, Gorleston, Great Yarmouth, Lowestoft, Clacton and elsewhere.
