

The background of the entire page is a repeating pattern of autumn-themed illustrations. It features various types of leaves in shades of yellow, orange, and red, along with several brown acorns with caps. The pattern is scattered across a light cream-colored background.

# October

## Welcome to the October issue of your newsletter

Well, summer has ended but we had some incredibly beautiful September days. British Summer Time ends officially on October 27th - so don't forget to put back your clocks. Although we do

get an extra hour in bed that night, it does mean the beginning of darker evenings! However, as we move through Autumn we have lots to look forward to in the village.

Most exciting is the opening of the Hakluyt Cycle Route. You can read much more about it inside. The village hall is busy ... there is a Murder Mystery Evening on 5th, and don't forget to book your place for the annual Harvest Supper on the following Saturday. Again, see inside the newsletter for more details of these events.

See page 5 for a thankyou from Joanna Martin to everyone for buying her flowers and produce in aid of the school ... thank you, Jo for your efforts to raise money in this way to support the primary school. We also have a young entrepreneur in the village: Georgie, who has just started in Year 10 (making her 14(ish) for those not familiar with school year grouping) and is looking to earn a little money by offering ironing and babysitting services. Check out her advert on page 10.

Yes, its that time of the year again ..... 31st October – All Hallows' Eve (see page 8)

There are some ghostly spooks hidden throughout the newsletter! Ask the younger members of the household if they can find them all

Happy Hallowe'en to everyone.  
Cally (Editor)

### Halloween, or Hallowe'en

is the night before **All Hallows Day** (the original name for **All Saints Day**, on November 1st) and is called **All Hallows Even** or **All Hallows' Eve**. This was shortened to 'Hallow-e'en' by the 16th century. However, the pagan Celts believed it was a time when the walls between our world and the next became thin and porous, allowing spirits to pass through and this is probably the basis for our present-day celebrations with ghosts and witches.

## *Snippets from the Village History*

### *Parish Council Minutes: 1894 - 1954*

Parish Council meetings were mainly held in the School Room in the evening, and on occasions were also held in the Mission Room in Wetherup and in the Rectory. **Here are some further excerpts:**

#### **December 1922**

We ... members of the Wetheringsett cum Brockford Parish Council are of the opinion that a Public Telephone Call Office at Brockford would be of great benefit to the district.

#### **November 1923**

A notice was received and read from the Debenham Parish Council, requesting applicants for the Fire Engine, to supply horses for the same.

#### **March 1925**

... a letter ... regarding the Housing Scheme... requesting the Parish Council's decision as to the number required in the parish. After discussion, it was proposed ... that 6 cottages (3 pairs) be built to meet the present need.

#### **March 1928**

... attention of the Rural District Council be called to the fact that the snow was not cleared quickly enough from the roads in the Parish and that the Council be asked to provide an additional plough.

#### **January 1929**

A letter ... concerning the sinking of a public well at White Horse Corner. As the water there was reported to be polluted, six of the members of the Parish Council, who had inspected the pump in question, reported that they found the water good and the pump in good working order.

#### **March 1929**

.. the dangerous state of the rails round the pond at White Horse Corner and ask that he will see that they are repaired as soon as possible.

## South Hartismere Benefice

October 2019

### Just Ask!

Thank you so much to all the wonderful volunteers who help to tidy our beautiful churchyards. Our churchyards are sacred spaces, and those buried there are remembered, and laid to rest, with dignity and care.

A churchyard is a place of peace that is shared with the whole community. The care and appearance of the churchyard sometimes raises sensitive issues, and there are guidelines about what can and can't be introduced. These guidelines are reviewed over time, so something which may have been permitted in the past may not be allowed today.

If a burial or interment of ashes of your loved one is to be in the churchyard, there will be decisions to make about the headstone which is made to mark the grave. There are several choices to consider, such as the size, style, material used, the colour of the stone, and the colour of the letters used for the inscription. It is really important to know that it's likely there will be strict restrictions on all of these decisions.

There are important rules about the care of churchyards, laid down by the Diocese of St Edmundsbury & Ipswich. Those of us who are responsible for our churches - the Rector and the Parochial Church Council (PCC) – must ensure that these are adhered to. The Diocesan rules are designed to preserve the peace and simplicity of the churchyard, and to ensure that nothing placed on any grave gets in the way of effective maintenance. The best thing to do is talk to the vicar or churchwarden in the parish where the burial will take place, and we will advise you about what is permitted.

There are leaflets in the church which give more detailed information about Churchyard rules, but if you are thinking about introducing a headstone into the churchyard – just ask.

Blessings,  
Julia

Parish Council vacancies - Mrs Claire Estcourt and Mr David Brown were co-opted to fill the two remaining parish council vacancies following the elections in May. Claire and David were welcomed to the council which now has a full complement of eleven council members.

Cycle Route – arrangements for the refurbishment of the red telephone kiosk as the start and finish point for the cycle route are progressing well. It is anticipated the route will be officially opened at the beginning of November. Date to be confirmed.

Cemetery Grass Cutting – the parish council having agreed to budget for four cuts during this grass cutting season, it was agreed that one of the two remaining cuts would include strimming around the memorial stones with one further grass cut during mid autumn. The parish council thanked parishioners and visitors for their comments and interest; it is always good to receive views from the wider community. The forthcoming cuts will prepare and tidy the cemetery for the winter months.

School Transport – County Cllr Stringer reported that hundreds of children in the county were still unsure about their school transport arrangements. During this month Suffolk County Council's new Home to School transport policy will be implemented and children moving to a new school will only receive free transport from the council if it is their nearest school and more than 2 miles from their home. All eligible parents were asked to opt-in and apply for transport and those who were not eligible for free transport were offered the opportunity to buy a spare seat on Suffolk CC school buses. However some 472 applications for home-to-school transport remained outstanding at the end of August with families unsure whether they would be allocated a seat on a Suffolk CC school bus in time for the start of the new school year.

Cllr Stringer appreciates the concerns this has caused to some families and he has asked that parents contact him direct regarding any school transport arrangements still not resolved in this area. Cllr Stringer's contact details are listed under the Councillors section of this magazine.

VAS speed awareness – the VAS equipment has been located at Brockford Street for a number of weeks due to the diversion on the A14 sending additional traffic via Brockford.

## Swim to Slim, or just Swim and Train

### The Cedars Pool

We have had a very busy summer at the Cedars Pool, with close to 60 registered users from the parish and many visitors to the Railway Sidings Carriages: up to 12 hours a day.

Our teacher, offering half hour lessons, continues to be busy, now with a little more time to herself as Suffolk ladies cricket captain, the season is over!

We have maintained the temperature at 85°F and hope to continue this as long as the weather allows. In spite of the blanket, cold nights do drag the temperature down.

Nigel has worked hard to keep the pool fit, and although it might be a little cloudy, we have kept it from going green all year.

Please continue to use the facilities through the darker months to keep yourself fit. We do not charge to swim, as we like to see the pool being used to useful effect.

# Yesterday

Academy Award-winning director Danny Boyle joins celebrated screen-writer Richard Curtis for a new comedy starring Lily James, Himesh Patel and Kate McKinnon.

In Lowestoft, Jack Malik is a frustrated musician whose musical career is going nowhere. However, on the night Jack decides to give up, the world is hit with a massive blackout during which Jack is hit by a bus. Upon regaining consciousness, Jack learns to his astonishment that he is apparently now the only one who knows the music of the Beatles. Whilst trying to wrap his head around what is happening, Jack finds himself on a journey to figure out what happened on that one night, and to bring back joy and the memory of the one band from yesterday.

Also featuring Ed Sheeran in a cameo role. Filmed in Ramsholt, Gorleston, Great Yarmouth, Lowestoft, Clacton and elsewhere.
